Re: *Commonwealth v. John Smith*, DOCKET#

Dear Attorney Smith,

We are writing to notify you that pursuant to its discovery obligations and in the interest of justice, the Commonwealth discloses the following information concerning a potential witness in this case. The personnel file of Officer Jeffrey Day, of the Tisbury Police Department and formerly of the Chilmark Police Department, contains two sustained findings of untruthfulness. In 2012 and 2016, Officer Jeffrey Day was found to have untruthfully reported his activity. By disclosing this information, the Commonwealth is not agreeing that it is either relevant or admissible. As a result, your client is entitled to the above-mentioned discovery.

Respectfully,

Matthew Palazzolo  
Assistant District Attorney
